### Which business processes have GCON4 MFL help you more with?

Uploading data into Unit4 ERP. GCON4 MFL can upload sheets of data where a human would have to enter the same data manually. This is a great area to save time and money!

## Challenges

Uploading large amount of data to Unit4 ERP manually.

## How did GCON4 MFL help?

Generating load sheets from GCON4 MFL helped determine the data that was needed, to successfully uploading data back to Unit4 ERP through GCON4 MFL. This allowed us to make sure that we had all the necessary elements to avoid errors.

**"GCON4 MFL was crucial to our implementation of Unit4 ERP, to load large amounts of data that otherwise would have been entered manually and would have needed a large amount of resources!"**
