

SWIB ACHIEVES GREATER PRODUCTIVITY AND EFFICIENCY WITH GCON4 MFL

The State of Wisconsin Investment Board (SWIB), created in 1951, is responsible for managing the assets of the Wisconsin Retirement System (WRS), the State Investment Fund (SIF) and other state trust funds. As of December 31, 2017, SWIB managed over \$117 billion in assets.

SWIB implemented Unit4 Business World (U4BW) in October 2015 as an ERP solution for managing its business operations.

SWIB STATE OF WISCONSIN
INVESTMENT BOARD

THE CHALLENGES

SWIB, in conjunction with an external consultant, developed a system for allocating costs to the investment portfolios it manages. The solution requires significant monthly updates to master data. If done manually, the update process would not be manageable and manual updates would likely introduce data quality issues. For these reasons, the consultant has suggested purchasing the GCON4 MFL tool.

THE SOLUTION

- **GCON4 MFL**, an innovative, indispensable tool that streamlines and significantly reduces time to migrate and manage Unit4 Business World.

THE BENEFITS

- **Essential U4BW tool**
GCON4 MFL forms an essential part of SWIB's monthly maintenance for cost allocation process.

SWIB has used the tool routinely when rolling out new functionalities in Unit4 Business World.
- **Significant time savings**
GCON4 MFL has helped SWIB to save countless hours of tedious, manual work.
- **Ensures data integrity**
GCON4 MFL helps to ensure a high level of data quality.

- ✓ **Essential U4BW tool**
- ✓ **Significant time savings**
- ✓ **Ensures data integrity**

"GCON4 MFL tool is a powerful and essential part of our U4BW tool kit. This addition has greatly enhanced productivity allowing our team to refocus on other critical activities. SWIB realized increased efficiencies, including the elimination of time consuming manual updates and improved data quality."

Heather Dobson,
Senior Advanced Financial
Accountant, SWIB

ABOUT GCON4

GCON4 was founded by several senior consultants of the world-class ERP solution, Unit4 Business World (formerly Agresso). An official partner of Unit4, GCON4 is a dynamic and diverse global consultancy organization with implementation teams and clients across 5 continents.

Backed by its core vision, GCON4 achieves great success in its implementations through strong commitment and partnership with its clients to better understand their business needs and to help enable business change and flexibility.
